

FOR IMMEDIATE RELEASE

You're in the IT Managed Services Race with HUB Tech: HUB Tech featured on the Acronis Sponsored Race Car in the Inaugural Illinois 300 NASCAR Cup Series Race

So. Easton, MA – HUB Technical Services, LLC., a New England based IT Managed Services Provider located in South Easton, MA, made national news with HUB Tech prominently displayed on the hood of the #17 Acronis Ford Mustang at the Inaugural Illinois 300 NASCAR Cup Series Race.

The car was driven by driver Zane Smith, who finished in 17th place; in his first-ever NASCAR Cup Series race. HUB Tech congratulates Zane Smith for a great performance; placing in the top 20 in the Acronis and HUB Tech sponsored race car. To read more about Zane Smith's first NASCAR race, click...
