October is Cybersecurity Awareness Month, Have You Prepared?

Cybersecurity Awareness Month is a great time to educate yourself and your users and make cyber security top of mind. Not sure how to get started?

We've got you covered! **The 2022 Cybersecurity Awareness Month Resource Kit**, compliments of HUB Tech and our partner KnowBe4 comes packed with free courses, infographics, helpful tip sheets, awareness posters and more to help you make the most out of this Cyber Security Awareness Month.

Please take a moment to [download the complimentary kit](#), and I welcome the opportunity to discuss your cyber security strategy with you further.
